

Uploading Reports

When you have finished writing your report. You will want to upload your report to the Presynct server archival purposes.

To upload a report:

1. Tap Upload near the bottom of the screen

2. Check the box next to each report you would like to upload

3. Press the Upload button near the middle of your screen

Reports may also be uploaded from the Unsynchronized Reports tab by tapping and holding the report that you would like to upload.
